## Circus Skills Week

We have had another wonderful week with Steve Grainger from Shooting Stars Circus Skills Company. We have learnt how to juggle, balance feathers, diablo, walk on stilts, ride unicycles and much more. The children have been so excited all week and have also really enjoyed the performances today. Thank you very much for your support of the week and for coming and watching your amazing children today! We have already booked up for next year!

## Infant Music Festival

Well done to our singers in KS1 who went to the Wyvern Theatre last night for a performance with other Swindon primary schools.

## Area Sports

We were very disappointed not to be able to continue with the Area Sports afternoon, due to a torrential downpour about 4.15 p.m. We would like to thank Mr James for all the organisation that went into the event and are very sad it has not been able to run this year.

## Friday Lunch Is Top Table Day

Well done this week to the following children who sat at our special tables:

### Key Stage One Top Table

Eliza, Kaan, Lily M, Leena, Sai, Nathan H

### Lyndsey Adamson

My name is Lyndsey Adamson and I am a member of staff and also a mum here at Westlea Primary School

In August this year I will attempt to swim the English Channel (22 miles) with 5 fellow team mates to raise money for the charity Aspire who provide practical help for people affected by spinal chord injuries.

My training has been going well, although very tough as the water is currently only 10-15 degrees and all I am allowed to wear is a swimming costume. I have taken part in 3 training weekends in Dover to prepare for the main event, along with many swims at my local swimming pools and lakes. So far I have raised a joint £2500 with a fellow Swindon swimmer and we are just £1000 short of our target. If you would like to contribute in any way to our fundraising we would be most grateful. Please find below the link to my Just Giving page. I also have a sponsorship form.

### FOW's Plea

Our wonderful Tina Davis is leaving as FOW's chairperson due to Marguita leaving school. We are very worried that the FOW's may not be able to operate next year. Please could you let me know if you can help in any way on the committee. Many thanks in advance, as we don't want events or fundraising to stop!

## Key Stage Two Sports Day

Hurrah! We have finally been able to hold our KS2 Sports day! At one point we all thought that we were going to have to go in as the rain started to come down, but it brightened up and by the end was blazing sunshine! Thank you for all smiling through the event and supporting your children so brilliantly.

## Bad Language and behaviour.

Please note bad language from parents to children or other parents will not be tolerated. We do have the right to ban parents from the site. We have CCTV cameras around school for our children and parents security and safety. If needed we are able to access the sound part of the system.
