More Sporting Events

Massive well done to all the children who played in the football tournament on Friday 7th.

In our first game we won 7-0 and then we won 9-0 in our second game.

We won our final league game 2-0. Securing the top place in our table. We went into the semi finals where we won 2-0, with goals scored by Kuba and Efe. Into the final we came runners up losing 1-0 with the other team scoring with 20 seconds to go.

Scoring 20 goals and conceding 1 goal, the team should be very proud of themselves. Well done to all the players with every player scoring at least 1 goal in the tournament.

Friday Lunch Is Top Table Day

Well done this week to the following children who sat at our special table:

Shaya, Lola H, Callum I, Lewis W, Maysie & Mikaila

Assemblies this week:

E-safety

Singing Skills

Y3/4 Class Assembly

Attendance Fines

From the beginning of Term 4, unauthorised absences of 5 or more days will trigger an attendance fine of £60. Also, if a child is off for 2 or more days due to an undefined illness e.g. cold or tummy ache, medical evidence will need to be supplied.

Revised Home School Agreement

The revised and updated Home School Agreement has been emailed out with the newsletter. The agreement contains the new school Vision and Values, which will be reflected in the curriculum and all aspects of school. Parents need to read the revised agreement, which aims to strengthen parent/school relationships.

SRP Concert

Well done to the children who attended the Swindon Special Schools Concert on Thursday. You made us very proud

Fantastic, Funny and Frightening

Over the past few weeks, the Y5/6 children have been writing their own stories based on the book: Fantastic, Funny and Frightening. Earlier this week, 8 of the Y6 children spent some time sharing their work, which was very imaginatively written.

The Y3/4 Assembly

Well done to all of the children in Y3/4 who performed their class assembly: All Around Britain.

The singing was excellent and all of the children spoke very clearly.

Value of the week:

Helping Others

Thank You

The Celebration Assembly last Friday was a wonderful gala of sporting achievement. Without the support of the parents, the children would not be able to attend the different sporting events.

And Finally...

Another huge 'Thank you' to all of the parents who have embraced and supported all of the changes since the start of Term 3. The children are now looking a lot smarter and for the majority, the behaviour has significantly improved.

Moving forward, I want to assure you that the changes have been made to raise standards across all aspects of school life. Also, I want the staff, children and parents to work collaboratively, with a child centred approach which only ensures the best outcomes for all.

Have a lovely Half Term holiday.
